Increase your revenue potential with extra commission earnings.

COHORT

Partner with OSHC Australia.

By partnering with OSHC Australia you will gain access to the OSHC comparison tool via our secure Cohort Go portal, along with your personalised OSHC Australia website for students.

Pay OSHC and student fees the smarter way.

Cohort Go Payments is a unique global payment platform providing a fairer, smarter and easier way to pay student expenses.

Save students more by enabling them to pay for their OSHC, tuition and other study related expenses in their local currency with competitive foreign exchange rates and no fees.

Track the status of payments in real-time, expediting visa applications and streamlining payment reconciliations.

Track commissions and increase revenue.

Increase revenue potential with extra OSHC commission earnings.

Add even more value to student interactions by taking advantage of our wide range of Cohort Go modules, including student arrival services and relationship management tools.

How students can easily compare OSHC.

Comparing OSHC policies is simple for your students with these four easy steps.

- 1 Enter your quote requirements to compare policy options.
- 2 Select your preferred policy and complete your details.
- 3 Pay online and choose Cohort Go Payments to save even more.
- 4 Receive your OSHC policy certificate typically in minutes.
